At the beginning Director of Agriculture, Assam, welcomes all the members present in the House. The SDAO (Fertilizer) and Member Secretary, Sub-Committee of Technical Bid Evaluation of E-bidding for fertilizers, Md. Jahur Uddin Khan explained the objective of the meeting. The House requested him to present the comparative statement of prices of different fertilizers of responsive bidders. Accordingly he presented comparative statement of prices of Borax, Zinc sulphate, Vermicompost, PROM, Bio fertilizers & Liquid Bio-Fertilizer Consortia quoted by the bidders through Power Point Presentation. The members of the committee examined the comparative statement prepared by the Fertilizer Cell and approved for further discussion.

The House observed minutely the comparative statement of every item & unanimously agreed to estimate the unit price /qtl on an aggregate of offered price, transportation & insurance etc. While calculating the unit price/qtl, GST was not taken into account & approved the lowest quoted price of the responsive bidders as an **approved price**.

The average sale price of Vermicompost was found Rs 800/Qtl including GST as per market survey done by J.D.A (C&F) & his Cell. Accordingly all the technically qualified bidders are found responsive & are ranked accordingly as R1, R2, R3-----Rn

The House found that there were 9 (Nine) bidders who raised price/qtl inclusive of all outgoings including GST & were seen marked by 3 (three) stars in the comparative statement of price schedule. Accordingly GST amount was deducted to evaluate the unit price/qtl excluding GST. Details of the Comparative statements of all the below listed items of the bidders are annexed herewith.
