Less than Below 7% of SOR – up to Below 9.99% of SOR	15% of quoted value										
21.	<b>Issue of Work Order:</b> On deposition of Performance Security and signing of contract agreement, final work order for execution of the work to the Bidder shall be issued by the Employer, subject to availability of necessary fund. The successful bidder to which final work order has been issued shall be called as 'Contractor' here-in after.										
22.	<b>Completion of Work:</b> (a) The Contractor shall take possession of site within 2(Two) days from the date of issue of final work order. (b) The Contractor should commence execution of the works immediately after possession of site and shall carry out the works as per specification of plan, estimate & drawing and complete the work in all respect by the specified completion time. (c) The Contractor should carry out any additional items of work necessary for completion of the schedule of items and quantities and rates. Instructions in respect of such additional items and their approximate quantities will be issued time to time in writing by the Employer. (d) Payment will be made on availability of necessary fund after successfully completion of the work.										
23.	<b>Subletting of Contract:</b> The Contractor shall not assign, sublet or transfer the Contract or any part thereof to any party which shall be considered										

	as breaching of contract agreement.
24.	<p><b>Insurance :</b> The Contractor shall provide, in the joint names of the Employer and the Contractor, insurance cover from the start date of work to the end of the defects Liability period, in the amounts and deductibles stated in the Contract Data for the following events which are due to the Contractor's risks.</p> <ul style="list-style-type: none"> <li>(a) Loss of or damage to the works, Plant and Materials,</li> <li>(b) Loss of or damage to Equipment's,</li> <li>(c) Loss of or damage of property (except the works, Plant, materials and Equipment) in connection with the Contract and Personal injury or death.</li> </ul>
25.	<p><b>Quality Control – Defects Liability Period:</b></p> <ul style="list-style-type: none"> <li>(a) The Site Engineer (to be called here-in-after as <b>Engineer</b>) shall check the Contractor's work and notify the Contractor of any defects that are found. Such checking shall not affect the Contractor's responsibilities. The Engineer may instruct the Contractor to search for a defect and to uncover and test any work that the Engineer considers may have a Defect. Engineer may instruct the Contractor to carry out test, not specified in the specification, to check whether any work has a Defect. Cost of these tests should be borne by the Contractor.</li> <li>(b) The Contractor shall permit the Employer's Technical auditor to check the Contractor's work and notify the Engineer and Contractor of any defects that are found as per record of site Register.</li> <li>(c) The Engineer shall give notice to the Contractor of any Defects before the end of the Defects Liability Period. The Defects Liability Period is <b>180 days</b> or a full rainy season which ever occur later, from the date of completion of works. The Defects Liability Period, if required, shall be extended till the correction of defects. Every time notice of a Defect is given, the Contractor shall correct the notified Defect at his own cost within specified time by the Engineer's notice.</li> <li>(d) If the Contractor has not corrected a Defect within the time specified in the Engineer's notice, the Engineer may correct the defect by engaging third party and will assess the cost of having the Defect corrected, and shall be paid by Contractor.</li> </ul>
26.	<p><b>Security Deposit - Defects Liability Period:</b></p> <ul style="list-style-type: none"> <li>(a) The Employer shall retain <b>10%</b> of final bill amount as <b>Security Deposit</b> and this amount will be paid to the Contractor after completion of Defects Liability Period on submission of no defect Liability certificate from Engineer.</li> <li>(b) Any defect that occurs during the above defect liability period will be the Contractor's liability and will be rectified from his own investment for which Employer will not be responsible. In case of failure to do so by the Contractor, Security Deposit and registration fee shall be forfeited along with cancellation of Contractor's registration.</li> </ul>
27.	<p><b>Liquidated Damage:</b> Other than the event of Force Majeure condition, if the Contractor fails to complete the works in all respect within the period specified in the work order, "Liquidated Damage" will be imposed @ 0.02% on contract value per day subject to maximum 10% of the contract value. On reaching liquidated damage above 10% of contract value, the work will be cancelled forfeiting the Earnest money and performance security and cancellation of Contractor's registration in Agriculture Department.</p>
28.	<p><b>Force Majeure:</b></p> <ul style="list-style-type: none"> <li>(a) For purposes of this bidding, "Force Majeure" means an event beyond the control of the Contractor and not involving his fault or negligence and not foreseeable in his contractual capacity. Such events may include, but are not restricted to acts of God, wars or revolutions, fires, floods, epidemics, quarantine restrictions and freight embargoes etc. Whether a Force Majeure situation exist or not, shall be decided by the Employer and his decision shall be final and binding on the Contractor and all other concern.</li> <li>(b) If a Force Majeure situation arises, the Contractor shall notify such conditions and the cause thereof to the Employer in writing within 3 days from the date such situation arises. The Contractor shall notify within 3 days of cessation of Force Majeure condition. After examining the cases and associated facts, purchaser shall decide grant suitable additional time for the completion of the work, if required.</li> <li>(c) Failure on the part of Contractor in timely intimating Force Majeure condition to the Employer will suspend its right for any relief otherwise eligible under such Force Majeure condition.</li> </ul>
29.	<p><b>Termination:</b> <b>For Default:</b> The Employer may, without prejudice to any other remedy for breach of contract, by written notice of default sent to the Contractor, terminate the Contract in whole or part for the following event:</p> <ul style="list-style-type: none"> <li>(a) If the Contractor fails to complete the works within the period specified in the work order, or within any extension thereof granted by the Employer or the Contractor has delayed the completion of works by the number of days for which the maximum amount of liquidated damages can be paid as defined in the <b>clause 27</b> mentioned above.</li> <li>(b) If the Contractor stops work for 15 days when no stoppage of work is shown on the current program and the stoppage has not been authorized by the Engineer;</li> <li>(c) If the Contractor fails to correct a particular Defect within a reasonable period of time as per notice issued by the Engineer;</li> <li>(d) If the Contractor fails to perform any other obligation(s) under the Contract.</li> <li>(e) If the Contractor, in the judgment of the Employer has engaged in fraud and corruption.</li> </ul>

	(f) In the event of any of the breach of the conditions of the contract at any time on the part of the Contractor, the Employer without any compensation to the Contractor may terminate the contract. All payments due shall be forfeited.
30.	<b>For Insolvency:</b> The Employer may at any time terminate the contract by giving written notice to the Contractor, if the Contractor becomes bankrupt or otherwise insolvent. In this event, termination shall be without any compensation to the Contractor.
31.	<b>For Convenience:</b> The Employer, by written notice sent to the Contractor, may terminate the Contract, in whole or in part, at any time for its convenience. The notice of termination shall specify that termination is for the Employer's convenience, the extent to which performance of the Contractor under the Contract is terminated, and the date upon which such termination becomes effective.
32.	<b>Payment upon Termination:</b> (a) If the Contract is terminated because of a fundamental breach of Contract by the Contractor, the Engineer shall issue a certificate for the value of the work done less advance payments received up to the date of the issue of the certificate, less other recoveries due in terms of the contract, less taxes due to be deducted at source as per applicable law and less the percentage to apply to the work not completed as indicated in the Contract Data.  (b) If the Contract is terminated at the Employer's convenience or because of a fundamental breach of Contract by the Employer, the Engineer shall issue a certificate for the value of the work done, less advance payment received up to the date of the certificate, less other recoveries due in terms of the contract and less taxes due to be deducted at source as per applicable law.
33.	<b>Finishing the Contract:</b> The Contractor shall request the Engineer to issue a Certificate on completion of the Works and the Engineer will do so upon deciding that the Work is successfully completed.
34.	<b>Tax, Royalty etc.:</b> The Income Tax, GST and any other taxes as applicable will be deducted at source. The Forest royalty as per norms and rules will be borne by the Contractor.
35.	<b>Safety:</b> The Contractor shall be responsible of the safety of all activities on the Site.
36.	<b>Water and Power:</b> Arrangement of water and electric power required by the contractor for the works shall be made by him at own cost. Department will however recommend to the State Electricity board for giving the connection and power to the contractor. However the Department will bear no responsibility in this respect.
37.	<b>Settlement of Disputes:</b> The Purchaser and the Supplier shall make every effort to amicably resolve any disagreement or dispute arising between them under or in connection with the Contract. If, after ten (10) days, the parties have failed to resolve their dispute or difference by such mutual consultation, then either the Purchaser or the Supplier may give notice to the other party of its intention to commence arbitration, as hereinafter provided, as to the matter in dispute, and no arbitration in respect of this matter may be commenced unless such notice is given in writing. Arbitration proceedings shall be conducted in accordance with the Acts and rules of procedure interpreted in accordance with the laws of the Union of India, including the Arbitration and Conciliation Act as amended till date and within the Jurisdiction of Honourable Guwahati High Court. Arbitration proceedings shall be held at Guwahati, Assam, and the language of the arbitration proceedings and that of all documents and communications between the parties shall be English.
38.	<b>Influencing the Employer:</b> Any effort by a Bidder to influence the Employer in its decisions on bid evaluation, bid comparison or contract award may result in rejection of the his bid. Canvassing in any form from any source is prohibited and liable for rejection of the Bid.

  
 Director of Agriculture,  
 Assam, Khanapara, Guwahati-22.
